Judges

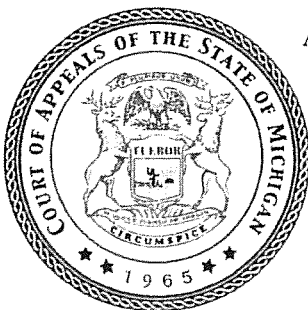

The Court orders that the motion to withdraw is GRANTED, because the Court finds, after a full examination of all the proceedings, that the appeal is wholly frivolous.

The continuing order for mental health treatment is AFFIRMED. Withdrawing counsel shall mail by first-class mail to respondent-appellant within 14 days of the date of this order a copy of this order and file proof of that service with the Clerk of this Court as required by MCR 7.211(C)(5)(c).

The final judgment of affirmance will be STAYED for a period of 28 days after service of a copy of the order on the respondent-appellant. Within that period respondent-appellant may, if he so desires, file a written communication with this Court, raising any issue or questions that he wishes this Court to consider. The communication will be treated by this Court as a motion for reconsideration.
